Middle Basin Avalanches

Middle Basin
Northern Madison
2/8/2021
Code
SS-N-R2-D2-I
Elevation
9500
Aspect Range
NE-SE
Latitude
45.33740
Longitude
-111.38100
Notes

From email: "Went out in Middle Basin north of Big Sky today and saw 5 separate slides, the largest about 500ft across and approximately 2ft deep. All of them were northeast to southeast aspects from about 9200 to 9800ft. The included photos aren't the best but give an idea of the slides, most are from that largest slide." Photo: B. Richards
