

Continuous Collapsing at Bacon Rind

Bacon Rind

Southern Madison

2/11/2024

Code

Latitude

44.96090

Longitude

-111.10000

Notes

From obs: "We got the same feedback that Dave and Doug did on 2/5/24 - collapsing every time we stepped out of the skin [track](#) or turned with any force, as well as a few sizable collapses triggered from inside the skin [track](#). Very touchy, skied very well. Stayed well away from avy terrain."
